INTRODUCTION -- AIMS AND PURPOSES

The Ukrainian Orthodox League is a vital organ of the Ukrainian Orthodox Church of the U.S.A. The Seventh Sobor of the Church in 1946 desired to unite all Ukrainian youth groups into one organization. A committee under the direction of the late Very Reverend Volodymyr Bukata formulated such plans. Effective in 1948, the Ukrainian Orthodox League became incorporated in the State of New Jersey. The Junior Ukrainian Orthodox League of the USA was formed in 1961.

The Ukrainian Orthodox League is a national volunteer organization of members in the Ukrainian Orthodox Church of the United States of America, hereinafter referred to as the Church, who are committed to:

1. Promoting active participation in all aspects of the Orthodox faith and supporting the Church.
2. Developing and maintaining programs and projects which:
 - a. educate members and promote dedication and commitment to the Church, Her teachings, traditions, and missions.
 - b. provide opportunities for the development of leadership skills and responsibility among the youth of the Ukrainian Orthodox Church of the USA.
3. Providing and promoting information on Ukrainian heritage and history to the general public and establishing means which ensure the continuation of cultural awareness and pride within our membership.

Its purpose is exclusively spiritual, charitable and educational.

The Ukrainian Orthodox League is comprised of members of the Ukrainian Orthodox Church of the United States of America. The Junior League includes youths ages 10 to 18 years, and the Senior League includes ages 18 years and above. Activities and programs are planned for the involvement of all her members regardless of age.

The specific purpose of the Junior League shall be to aid the **Ukrainian Orthodox League of the U.S.A.** to further its aims and purposes among the youth of the Ukrainian Orthodox Church of the U.S.A. promoting in every way possible the growth of our Church and her League.

JUNIOR NATIONAL EXECUTIVE BOARD

MEETINGS -- The Junior National Executive Board of the UOL, elected at the Annual Convention, is responsible for conducting the business of the Junior League between annual conventions. The Board meets several times a year (in conjunction with the Senior Executive Board, if possible). The first meeting of the Executive Board will be immediately following the conclusion of business sessions of the Annual Convention. Two or three meetings will be scheduled at the discretion of the President of the Junior League. The spring meeting is typically held in the city hosting the Annual Convention. The spring meeting may be omitted depending on the financial status and activities of the Junior Board. The final meeting of the Junior Executive Board will be immediately preceding the Annual Convention.

The meetings preceding and following the Annual Convention are conducted in the city that is hosting the Annual Convention. The meeting immediately following the Convention is for the purpose of training the new officers by the outgoing officers and for identifying and planning the goals of the year. The other meetings are hosted by local chapters at their request and as dictated financially. Junior National Board members are required to attend all Board meetings unless excused by the President of the Junior League.

Executive Board members are required to submit written reports on their areas of responsibility for all Junior Board meetings except the meetings immediately preceding the opening and immediately following the conclusion of the Annual Convention.

EXPENSES -- Junior National Board members receive expense reimbursement for attending meetings at the rate of \$.25 per mile if traveling by auto or full reimbursement for the costs of public transportation (at the lowest discount fare available). Whenever possible, Junior Executive Board members are encouraged to coordinate travel plans to eliminate unnecessary expenses. In recent years, it has become practice for Board members to be housed in the homes of members from the hosting chapter during Junior Executive Board meetings thereby eliminating the need to incur housing expenses.

In the planning of a Junior Board meeting, approval of the Junior Board is generally obtained by their willingness to participate in a meeting at a particular location in a given day. Parental permission for the Junior to participate in each meeting is obtained by the Junior Advisor in the process of planning to attend the meeting. Costs of travel above \$300 per person must have prior approval of the Junior Advisor. The local Junior/Senior chapter is responsible for arranging for housing and meals, and the Jr. Board Advisor working in cooperation with the hosting chapter is responsible for providing chaperones for the Junior Board during their meeting and during their activities.

If a Board member fails to submit a written report at a board meeting, his/her travel expenses for that meeting will not be reimbursed. In order to receive reimbursement for any expenses (travel, supplies, telephone, postage, etc.), an official "Expense Voucher" (Jr. UOL Form 105) voucher must be submitted to the Treasurer with appropriate receipts.

TRAVEL OF JUNIOR BOARD MEMBER(S) TO PARISHES WITH UOL CHAPTERS -- Junior Board member(s) may travel to parishes with a UOL chapter either at the invitation of the chapter (with costs covered by the chapter) or at the initiative of the Junior or Senior UOL (with costs covered by the Junior UOL). Parental permission for the Junior to participate in each meeting is obtained by the Junior in the process of planning to visit the designated chapter. Issues of travel costs must be agreed upon and approved by the Junior Board prior to the planning of the trip, and the trip must be approved by the Junior Board and Advisors. Chaperones for the Junior(s) can include (1) a designated Senior UOL member who will travel to the hosting chapter in conjunction with the Junior and/or (2) a designated Senior UOL member from the chapter who will serve as host.

TRAVEL OF JUNIOR BOARD MEMBER(S) TO PARISHES WITHOUT EXISTING UOL CHAPTERS OR TO OTHER SIMILAR LOCATIONS -- Junior Board member(s) may travel to parishes without a UOL chapter or to other designated meetings either at the invitation of the chapter/organization (with costs covered by the chapter) or at the initiative of the Junior or Senior UOL (with costs covered by the Junior UOL). Parental permission for the Junior to participate in each event is obtained by the Junior in the process of planning to visit the designated chapter. Issues of travel costs must be agreed upon and approved by the Junior Board prior to the planning of the trip and the trip must be approved by the Junior Board and Advisors. Chaperones for the Junior(s) can include (1) a designated Senior UOL member who will travel to the hosting chapter in conjunction with the Junior and/or (2) a designated Senior UOL member from a neighboring chapter who will serve as host.

MEETING REPORTS -- Members of the Executive Board are required to submit a written report of their

accomplishments and activities for each Executive Board Meeting (except for the meeting prior to the Convention and the meeting immediately following the conclusion of the Convention). Each Board Member must bring sufficient copies of their report to the meeting. Additionally, a copy of the report should be submitted via e-mail to the entire Board by the Monday prior to the meeting. Reimbursement of expenses is contingent upon submission of a written report.

MONTHLY REPORTS -- Members of the Executive Board are required to submit monthly reports of their accomplishments and activities from the previous month (Jr. UOL Form 112). The report is due to the Jr. President and all Junior Advisors on the 10th of every month. This report can be submitted via e-mail or mailed.

Every letter should start with the Christian greeting "Glory to Jesus Christ!" (or following Feast Days the greetings, "Christ is Risen!" or "Christ is Born!") All letters should be dated and end with the Christian greeting "Yours in Christ." All letters should be carefully proofread. SPECIAL PROJECTS OF THE SENIOR UOL

The Senior UOL conducts several special projects that have become annual traditional events. These projects are

accomplished by various Commissions or Committees of the Senior UOL and are sponsored nationally in the name of the UOL and are supported by both the Junior and Senior UOL Chapters.

ANNUAL FUND DRIVE-- The Annual Fund Drive for UOL projects, LSSK and MJSF scholarship funds was launched in January 1998. The UOL Bulletin's mailing list was and continues to be used for this national appeal. The National Executive Board's decision to combine all major UOL solicitations into one annual drive was a radical departure from past fundraising efforts, which separately solicited donations for the various funds throughout the year. It also eliminated the raffle, which required all chapters and members to sell raffle tickets. The Board's decision was based on recommendations from convention committees, strategic planning questionnaire comments, financial and various other fundraising issues. In addition to reducing expenses, there was a slight increase in donations and feedback was very positive, thereby confirming that the decision was effective and efficient. The Annual Fund Drive chair is appointed by the president and approved by the National Executive Board.

METROPOLITAN JOHN SCHOLARSHIP FUND DRIVE -- The Clergy Candidate Commission oversees the Metropolitan John Scholarship Fund which awards scholarships to seminarians and grants to clergy for continuing education courses. The commission is responsible for strictly adhering to the MJSF guidelines, promoting and publicizing the fund and providing all necessary information to those requesting a scholarship or grant. Donations to the fund are solicited via the Annual Fund Drive.

UOL SUNDAY -- UOL Sunday, which occurs on the first Sunday of Nativity Advent, is designated as the day when all UOL chapters encourage their members to attend the Divine Liturgy and receive the mystery of the holy Eucharist as a group. Since one of the primary purposes of the UOL is to develop a better knowledge and understanding of the Orthodox faith and to promote greater religious consciousness, this Sunday is observed to remind UOL members and other Church members that the UOL is, indeed, "devoted to our church ...". The president's article in the UOL bulletin and national executive board liaisons notify all chapters well in advance of the day of UOL Sunday its purpose, and encourage all to participate.

LYNN SAWCHUK - SHARON KUZBYT MEMORIAL SCHOLARSHIP -- The untimely deaths of two lovely, dynamic and vibrant young women in late 1974 and early 1975 left an indelible mark in the life of the Ukrainian Orthodox Church, the Ukrainian Orthodox League and in the personal lives of their many friends. Therefore, a memorial scholarship in honor and memory of Lynn and Sharon was established at the 28th Annual Convention to perpetuate their memory. This scholarship will be awarded when an applicant who is a member of a Junior Chapter or within five years of school graduation is considered outstanding in several areas: serving the League and the Church, academic performance in high school, and involvement in extra-curricular civic activities. This scholarship need not be awarded each year. It will be awarded only when the Scholarship Committee feels and applicant is outstanding in these areas. Amount of scholarship: \$200 plus 30% of the remaining principal. Applications are accepted to May 15th of each year; with the announcement of the recipient made at the Annual Convention. Donations to the LSSK scholarship fund are solicited via the Annual Fund Drive, and accepted throughout the year.

CHAPTER CHALLENGE -- This project is coordinated by the Education Commission who works with the Junior League Advisor. The chapter challenge is a contest held at the Annual Convention about knowledge about the Orthodox Faith. The Junior Board is responsible for designating the teams at the Annual Convention and organizing the annual "Chapter Challenge." The Senior Board Education Commission is responsible for developing the questions and rules for the challenge and for implementing it at the Convention.

CONTESTS -- The UOL annually conducts several contests under the auspices of its Cultural Committee and Education Commission.

Annual Essay Contest -- is directed toward members of the Ukrainian Orthodox Church and specifies prizes in categories for Church School children, teenagers and adults. Topics for each age category are sent to all chapters and parishes inviting all to submit essays on the various topics according to age range. The essays are judged by the Education Commission and prizes are awarded nationally to the winners. Winners are announced and presented

with awards at the Annual Convention. Winners who are not in attendance at the Convention are forwarded to the parish for presentation at the local level.

Annual Cultural Contest -- The Cultural Committee is responsible for developing and implementing an annual contest which emphasizes one of the UOL's purposes regarding the continuation of Ukrainian cultural awareness and pride within our membership. Details of the contest are sent to all senior and junior chapters. Entries are judged by the committee chair and/or designated others. Winners are announced and awarded prizes during the annual convention

SPECIAL PROJECTS OF THE JUNIOR UOL

Project Coordinators are appointed by the Junior UOL President with approval of the Executive Board. In many instances, a Project will be run only by the Coordinator who is solely responsible for accomplishing the given assignment. The Coordinator is usually a member of the Junior UOL Executive Board. Special Projects can be added or deleted as deemed necessary by the Executive Board. Traditionally, the Junior UOL sponsors the following projects:

ANNUAL JUNIOR UOL RAFFLE -- The National Executive Board sponsors a raffle each year as a national fund raiser. Raffle tickets are distributed in December. Chapters are requested to reimburse the Junior Executive Board for the cost of ten (10) tickets per member. The drawing is held at the Banquet and Ball of the Annual Convention.

SPECIAL PROJECTS DRIVE -- Each chapter is encouraged to sponsor a fund raising project held in a month designated by the Executive Board. The proceeds from the project are directed into the Junior UOL "Special Projects Fund" and are donated to a worthy cause. Projects are selected by the Junior Executive Board under the advisement of the Junior Annual Convention. Past donations have gone to the St. Sophia's Seminary Library, All Saints Ukrainian Orthodox Church Camp, the Eastern Orthodox Foundation, the Ukrainian Gift of Life and others.

MEMBERSHIP DRIVE -- Each year the Junior UOL conducts a Membership Drive to increase the number of members in each chapter. The purpose of this drive is to foster the formulation of new chapters, to reactivate chapters that have become inactive, or to offer membership in the UOL to youth of the Ukrainian Orthodox Church who attend parishes that do not as yet have a Junior Chapter.

EDUCATION-- The education chairperson will work with the Senior Education Commission Chairperson to coordinate the Chapter Challenge and Annual Essay Contest. He/she is responsible for distributing practice questions for the Chapter Challenge to the chapters. For the Annual Essay Contest he/she will distribute application materials and essay questions to all Junior Chapters. The education chairperson will also work with the Retreat Chairperson to help plan the UOL Retreat.

WEBMASTER or WEB SITE LIASION - If the Webmaster is not a National Executive Board Member, a National Executive Board member serves as liaison to the webmaster, providing necessary information to be posted on the website, overseeing the website and facilitating communication between the webmaster and the Junior Board.

UOL BULLETIN -- The National Junior Executive Board shall designate a Junior UOL Executive Board Member as the Junior Coordinator to the UOL Bulletin. He/she will be responsible for writing articles concerning National Board meetings activities and projects, and encouraging Junior chapters to submit articles concerning their local chapters and to make donations to the UOL Bulletin. He/she is also responsible for working with the UOL Bulletin Editor to designate the UOL Bulletin Award winner.

ALL JUNIOR UOL PROJECT COORDINATORS ARE RESPONSIBLE FOR SUBMITTING FREQUENT ARTICLES TO THE UOL BULLETIN ABOUT THEIR PROJECTS.

OFFICE OF YOUTH MINISTRY

In 1996 the Consistory of the UOC initiated the Office of Youth Ministry, which works closely with both the Senior and Junior UOL. The goals of the Office of Youth Ministry include: of 1) educating the youth of the Church, 2) deepening their faith, 3) creating a faith community in which the youth would want to remain for the rest of their lives.

The Office of Youth and Young Adult Ministry sponsors many projects that are described in detail at www.uocofusa.org. Below is a brief description of a few of the programs:

Ukrainian Orthodox Church of the USA Camping Programs- There are three programs that are designed for various age groups: Teenage Conference (a two week program) for ages 13-18; Diocesan Church School Camp (a two week program) for ages 9-13; Mommy & Me/Daddy & Me (a five day program) for children ages 4-8 who attend with their parent(s).

Great Lent Giveaway- This program is sponsored in conjunction with the Jr. UOL. It is a national missions project that is conducted during Great Lent. The beneficiary of the project is chosen in the fall of each year. Past recipients have been: Children of Chernobyl Relief Fund, Icons for the Brazilian Ukrainian Orthodox Church and UOC Mission Parishes in the USA.

Youth Publications- There are several venues for Orthodox Youth to contribute literary works and/or artwork, including the Orthodox Youth Diaries, the Youth Section in the Ukrainian Orthodox Word and the OYM Web Page.

Mission Trips- There are missionary trips sponsored for College Students and High School Students. The College trip takes place for two weeks in August and reaches out to orphanages in Ukraine. The High School trip takes place for one week in August and the location changes each year.

ANNUAL UOL CONVENTION

The UOL Annual Convention is convened each year in July. The site of the Convention varies from year to year. Chapters or Regions of the UOL bid to host the Convention at least two years in advance. The chapter or region that is selected as the host of a Convention is responsible for handling all of the arrangements for the Convention. All profits from the Convention go to the National UOL Treasury. The hosting Chapter or Region receives a 10% rebate from the Convention profits and the National Junior UOL Treasury receives a 20% distribution following the satisfactory audit of the Convention books.

It is recommended that each chapter be represented at the Annual Convention by a delegate since matters of the greatest importance to Chapters and individual members are discussed and voted upon at the Convention. All Junior members in good standing who attend the Convention and register as delegates, serve as delegates.

Chapter obligations, including Chapter Dues, Membership Dues, Chapter Project Donations, Election Reports, and Annual Progress Reports as well as the membership rosters and any unpaid late fines must be fulfilled prior to the Convention. Delegates from chapters not meeting these requirements will *not* be seated on the convention floor and therefore, will not be granted voting privileges. Delegate forms are mailed to all Chapters well in advance of the Convention. The names of all chapter delegates must be submitted to the Financial Secretary prior to the Convention on the Delegate Form (JR. UOL Form 107). The Delegate form must be signed by the Spiritual Advisor and the Chapter Secretary in order to be considered valid.

The Annual Convention is typically five days in length beginning on a Wednesday evening, and concluding on a Sunday Afternoon. In general, business sessions are conducted during the day with social events scheduled for each evening. Social activities include a Theme Dinner/Dance and the traditional Banquet and Ball. The Convention is concluded on Sunday with a Hierarchical Divine Liturgy, installation of the new National Board Officers, both Junior and Senior, and a Farewell Luncheon.

The Juniors attend separate business sessions, but join the Seniors for joint committees and planned social activities.

REQUIREMENTS FOR CONVENTION ATTENDANCE BY JUNIORS

All Juniors attending the Annual Convention must be accompanied by a chaperone authorized by their parent and acknowledged by their Spiritual Advisor. Guidelines for Junior UOL Chaperones have been developed to assure the safety and well being of all members. A UOL Chaperone Form (Jr. UOL Form 110) must be submitted prior to the Convention by each chapter. An emergency form and consent authorization (Jr. UOL Form 111) must be submitted for each Junior in attendance.

Juniors without the proper consent and authorization will not be permitted to attend the Convention or any of its functions.

GUIDELINES FOR JUNIOR UOL CONVENTION CHAPERONES

The Ukrainian Orthodox League of the USA has set forth the following policy regarding chaperoning of Juniors at the Annual Convention. This policy has been established as to better supervise our Juniors. The UOL is genuinely concerned about the health and welfare of its members, and for these reasons this policy has been instituted. The UOL will not bear any responsibility for "policing" (room checks, hall monitoring, etc.) the behavior of Junior UOL members during the UOL Convention. Each Junior must have a responsible Senior UOL member or another responsible adult registered at the Convention who accepts total responsibility for his/her Junior's behavior during the Convention.

Specific rules concerning the selection and responsibilities of these chaperones are as follows:

1. All chaperones must be a Senior UOL member or a responsible adult who is 21 years of age or older and who accepts responsibility for the Junior UOL member in their charge at the Annual UOL Convention.
2. Chaperones will take responsibility for policing (room checks, hall monitoring, etc.) the behavior of Junior UOL members in their charge at the Annual Convention.
3. Each chaperone will be responsible for no more than four Juniors.
4. Chaperones will be required to attend all Junior social functions at the Convention in the capacity of monitoring his/her Juniors.
5. Each chaperone must be approved by the parent/guardian of the Junior member as well as the Junior Chapter Spiritual Advisor and Senior Advisor.

AWARDS

VERY REVEREND VOLODYMYR BUKATA AWARD --This award is given to a Junior League member, and is considered the "Junior Orthodox of the Year Award". It is given to a Junior member who has done outstanding work toward accomplishing the goals and aims of the Ukrainian Orthodox League, said work to be on a national, regional, chapter, and/or local church level. Nomination forms are mailed to all Junior Chapters in the Spring, and are to be completed and returned to the Jr. League Advisor. The Senior and Junior National Executive Board make the final selection of the Award recipient and runner-up, and the Award is then presented at the Annual UOL Convention. The basis of the selection for the Award includes participation in :

1. Church organizations and activities.
2. Offices held in church organizations.
3. Activities within the Ukrainian Orthodox Church and Orthodox groups of other jurisdictions.
4. Actions or activities that bring before the public, in a favorable manner, the Ukrainian Orthodox Church.
5. Any other activity not mentioned above which would help the League achieve its aims

Current Junior Executive Board members are considered ineligible to enter.

JUNIOR CHAPTER ACHIEVEMENT AWARD -- This award is presented to a Junior Chapter that has shown the greatest achievement in terms of accomplishing the aims and purposes of the UOL during a one-year period of time. The winner of the Award is selected on the basis of chapter progress reports which are submitted to the Jr. League Advisor by April 30th each year. The final selection of the Award winner is made by the Junior National Executive Board. The Award is presented each year at the Annual Convention.

METRO J. BARAN ACHIEVEMENT AWARD -- This award is presented to a Senior UOL member by the Senior UOL "for outstanding service with the youth of the Ukrainian Orthodox Church." The Award was instituted to honor the memory of Metro (Jimmie) Baran for his many years of dedicated service and untiring efforts in working with the Juniors of the UOL. This Award may be presented annually, but is not necessarily an annual Award. It is to be presented only when the Senior National Executive Board feels an extraordinary candidate has been nominated. The forms are mailed by the Senior Awards Chairperson to Junior and Senior Chapters in the Spring with appropriate accompanying information. The forms are to be returned to the Awards Chairman of the Senior Executive Board; and the Executive Board makes the final selection. If the Award is presented in any given year, the presentation takes place at the Annual Convention. Any layperson or clergyman may qualify, and may be a League or non-League member. The Award is intended to honor a person who unselfishly gives of his/her time and energy in directing, counseling, training and/or educating the Junior members of the Ukrainian Orthodox Church.

JUNIOR UOL SPIRIT AWARD -- This award comprised of a blue and gold banner to be presented and displayed at the parish Junior Chapter that has exhibited outstanding performance in all of the following - (1) the Chapter Project Donation, (2) the Special Project (3) Junior UOL Raffle, and (4) any other Junior UOL project deemed appropriate by the Junior Board. The award is given once each year to the chapter that shows outstanding performance in all of the said projects. The Spirit Banner is awarded for display at the parish of the winning chapter for a period of one year. The National Executive Board will also present an icon to the winning chapter to be kept by that chapter permanently.

BULLETIN AWARD -- The Bulletin Award is presented each year at the Annual Convention to the chapter that submits the largest number of articles of high quality to the UOL Bulletin during the year. Other criteria may be considered for this award. The winner is chosen by the Junior Bulletin Coordinator and the editor of the UOL Bulletin.

UOL MOTTO AND EMBLEM

The official League motto and emblem can be found on the cover page of this Handbook. The Major Goal of the UOL of the USA is to serve the Ukrainian Orthodox Church and the Holy Eastern Orthodox Faith, and to do so by exemplifying the meaning of the motto "DEDICATED TO OUR CHURCH - DEVOTED TO ITS YOUTH".

AREA/LIAISON CHAPTERS

The Junior National Executive Board assigns each officer specific area chapters in order to establish more personal contact between the Chapters and the Executive Board. Each Board member is responsible for keeping his/her area chapters informed of the activities and projects of the Junior Board. Chapters are encouraged to periodically inform their Chapter Liaison of the activities in their own chapter and to utilize the Board members as the liaison to the National Executive Board to address any issues or concerns.

REGIONS

Regions within the UOL were previously established on a geographical basis in an effort to retain a UOL identity and perpetuate relationships between UOL chapters and among UOL members. Regions have experienced success in cooperative efforts sponsoring Conventions, social affairs, teenage camps, religious/cultural/social weekends, athletic events and other activities. As of 2003, regions do not exist as a formal structure.

CHAPTERS

Membership in the UOL is restricted to those persons who are members of the Ukrainian Orthodox Church of the USA. All clergy of the Diocese are members of the League with all duties pertaining thereto. The Senior UOL has members 18 years of age and over, while the Junior League encompasses ages 10 to 18. Age ranges may vary with local conditions.

PETITION FOR MEMBERSHIP -- A group may petition for membership as a Junior Chapter of the UOL when a minimum of five individuals who are members or affiliates of the Ukrainian Orthodox Church of the USA express interest in formulating a Junior Chapter of the UOL.

A "Petition for Membership" form (Jr. UOL Form 109) may be requested from any Jr. or Sr. National Executive Board Member.

The Board Member will then mail the "Petition for Membership" form and necessary instructions and forms to the interested group. The following procedure should then be used:

1. A minimum of five members should be identified.
2. Officers of the chapter are elected as follows: President, Vice-President, Secretary, Treasurer. A Spiritual Advisor (typically the priest of the sponsoring chapter) and/or Senior Advisor(s) (either a local member of the Senior UOL or a responsible adult in the parish) are also necessary.
3. The official name of your chapter is selected. (This is usually the same as the name of your church.)
4. Chapter Constitution and By-laws are written. (This should be modeled on the UOL National Constitution)

and By-Laws). If you prefer not to write a Constitution and By-laws immediately, you may submit a statement indicating that you have reviewed the Junior League Constitution and By-Laws and agree to abide by them.

5. The "Petition for Membership" is completed and submitted to the Jr. League Advisor along with Election Report (Jr. UOL Form 106), Membership Roster (Jr. UOL Form 102), check for membership and chapter dues and Chapter Constitution and By-laws (if adopted).

When this procedure is completed, the Junior League Advisor will present the "Petition for Membership" to the Junior and Senior National Executive Boards for approval. Once the Executive Boards grant approval of a Petition for Membership, an official charter is prepared for the new Junior Chapter.

CHARTER PRESENTATION -- When a Petition for Membership is approved by the Senior National Executive Board, it is necessary to arrange a charter presentation, at which time the new Junior Chapter's charter is officially presented to the group by the Senior National President of the UOL or his/her appointed representative. Usually a member of the Junior Executive Board is also present at the presentation. It is traditional for the charter presentation to take place in Church at the conclusion of Divine Liturgy or following a special "Moleben" service. All Junior Chapter officers and members are to be present. The actual presentation takes place at the front of the Church and involves the National President (or his/her representative), the Chapter Spiritual Advisor, and Junior Chapter President. The National President presents the charter to the Spiritual Advisor who passes it on to the Junior Chapter President.

It is then customary to follow the charter presentation with a luncheon or dinner where the National President or his/her representative has the opportunity to address the Junior Chapter.

CHAPTER RESPONSIBILITIES -- All Chapters must fulfill certain responsibilities to remain in good standing with the Junior National Organization. These responsibilities include the following:

1. Submitting an Election Report annually. (Deadline June 15th).
2. Submitting Chapter Dues annually. (Deadline September 30th).
3. Submitting Membership dues annually. (Deadline September 30th).
4. Submitting a Membership Roster annually. (Deadline September 30th).
5. Submitting a Chapter Project Donation of at least \$50 annually. (Deadline April 30th)
6. Submitting a Chapter Annual Progress Report annually to the Jr. League Advisor. (Deadline April 30th).
7. Submitting any late fines accumulated during the year.

Instructions and forms for the above-mentioned reports are mailed to Junior Chapter Presidents, Spiritual Advisors and Jr. League Advisors at the appropriate times of the year. The Junior Chapter President is responsible for completing the forms, having them authorized by the Advisors and returning them to the appointed Junior National Officer prior to the stated deadline date. If a Chapter has not fulfilled all of its obligations, including payment of any assessed late fines prior to the Annual Convention, that Chapter's delegates will not be seated at the Convention until such obligations are settled.

It is the responsibility of the National Corresponding Secretary to provide each Junior Chapter with a "Chapter Responsibilities and Activities Calendar" listing all deadline dates and late fines. (See the example in this Handbook.)

The Junior Corresponding Secretary will send each Junior Chapter a revised Constitution and By-laws of the Junior Ukrainian Orthodox League of the USA every two years or upon request to the Jr. League President or the Junior League Advisor.

CHAPTER AND MEMBERSHIP DUES -- All chapters are required each year to submit Chapter and

Membership Dues. Each chapter is assessed \$60 per year. Newly formed chapters will be assessed \$15 for the first year and \$25 the second year. Each member is responsible for yearly Membership Dues of \$5. A late fine of \$1 per day and \$15 per month will be assessed if dues are submitted past the deadline. Paid members and chapters are entitled to participation in all Jr. UOL activities and projects.

CHAPTER PROJECT DONATION -- All Chapters have a financial obligation to devote one fund raising activity each year with proceeds to be donated to the National Jr. UOL Executive Board. This donation is payable on January 1st of each year and is due on April 30th. A minimum donation of \$50 is required. The donation will go to the National UOL Treasury. This donation is necessary for the normal operations of the Junior UOL (Supplies, Postage, Executive Board Travel Costs, etc.). A late fine of \$1 per day and \$15 per month will be assessed if the project donation is submitted past the deadline.

LATE FINES -- Late Fines are imposed in order to encourage chapters to complete required tasks and financial obligations on time. The requirements of Election Reports, Chapter and Membership Dues, Membership Roster, Chapter Project Donations, Annual Report and Delegate Forms are subject to late fines. Tasks that are subject to Late Fines will not be accepted until the financial obligation is met. Late Fines are assessed at \$1 per day with a maximum charge of \$15 per month.

DUTIES OF THE JUNIOR CHAPTER ADVISOR -- Selection of the Junior Chapter Advisor is made by the Senior Chapter after discussion with the Junior Chapter and the candidate. This individual must be a member of the Senior Chapter (if one exists) or a member-at-large of the Senior UOL. In addition, candidates for Junior Chapter Advisor should be willing to devote much time and effort to the Junior Chapter and be a good role model for Junior members.

Primary Responsibilities of the Chapter Advisor include the following:

1. At the beginning of the year, the Advisor should meet with chapter members and discuss goals for the next year.
2. Advisors should attend all Junior Chapter meetings and chaperone all chapter projects and activities.
3. The advisor should guide the Juniors, but at the same time allow the Juniors to develop their own projects and plans. Active discussion by members at meetings should be promoted. The advisor should intervene to prevent any foreseeable problems. The Advisor should always remember that the major purpose of the Junior UOL is to develop future leaders for our Church and for that reason it is important to give Juniors responsibilities to handle.
4. The advisor is responsible for ensuring that chapter officers have mailed all obligations to the National Junior UOL Executive Board, that the chapter officers are fulfilling their responsibilities, and that the Junior financial books are in good order and are audited once a year.
5. The advisor should work in close cooperation with the Chapter Spiritual Advisor and encourage chapter participation in church-sponsored events.
6. Prior to the Annual Convention, the Advisor should review all Convention rules with members planning to attend and their parents.
7. If a Senior UOL Chapter also exists in the parish, the Advisor serves as liaison between the Junior and Senior Chapters.

DUTIES OF THE JUNIOR CHAPTER SPIRITUAL ADVISOR -- The Jr. Chapter Spiritual Advisor oversees and provides spiritual guidance to the Junior Chapter and generally gives a blessing for all chapter activities. He is especially important in helping to coordinate activities with other parishes and with the community.

MEMBERS-AT-LARGE

A member of the Ukrainian Orthodox Church of the USA between the ages of 10 to 18, whose parish does not have a Jr. UOL Chapter, is permitted to join the Jr. UOL as a Member-at-Large. A Member-at-Large may be a delegate at the Annual Convention upon approval of the Executive Board.

Helpful Hints for Inexperienced Officers

TO THE NEW PRESIDENT

Before each meeting, develop an agenda with the help of the secretary, Chapter Advisor, and/or Spiritual Advisor.

When it is time for the meeting to begin, rise, strike your gavel on the desk and say, "The meeting will please come to order." Remain standing quietly until the room becomes quiet. Ask the Spiritual Advisor to open the meeting with a prayer. Follow your agenda, for roll call say "The Secretary will please call the roll." When the minutes are read,

say "The Secretary will please read the minutes of the last meeting" (or the meeting of [date]). After the minutes are read, say "You have heard the minutes, are there any corrections?" Then pause to allow members time to make corrections. If no corrections are suggested then, say "There being no corrections the minutes are read and approved as read." If a motion is required to approve the minutes ask for a motion to approve the minutes.

Use the unanimous consent form, "If there is no objection," when you believe there is general agreement, to expedite business, as in accepting a report or acknowledging the receipt of a communication. If there is doubt as to unanimous consent, or if there is need for debate as on the acceptance of a report, say "What will you do with this report?" This is an invitation for a member to move that the report be accepted. As soon as that motion is made and seconded, say "It is moved and seconded that the report be accepted. Is there any discussion?" This opens the debate.

When you come to NEW BUSINESS, you may announce, "We are now ready for new business. What is your pleasure?" This is a useful question for a chairperson or ask, and it indicates the proper relationship between chairperson and the people assembled. Members make known their pleasure by making, debating, and voting upon motions.

TO THE NEW VICE PRESIDENT:

Learn all of the responsibilities of the President, as you will need to fulfill them in the absence of the President. Learn the rules associated with leading the meeting.

TO THE NEW SECRETARY:

You are the custodian of the official records of the organization. You should make a list of the books, reports, and files turned over to you by your predecessor. You will not want to be held accountable for any records not turned over to you, and you will want to turn over to your successor everything you receive and the records that you accumulate during your term in office.

At each regular business meeting you will have your current minutes book at hand to refer to when needed. You should also have a copy of the Constitution and By-laws of the Organization.

Have a special notebook to keep notes for the minutes of the meeting. Follow the format of the agenda and describe all discussion in clear concise terms. Note every motion made with the name of the mover and the action taken upon it. It is often helpful to have a tape recorder to record the meetings to aide in transcription. Do not put off transcribing the minutes as important details can be omitted when there is a delay.

After the meeting, you will want to transcribe your notes and prepare them for the reading and approval by the body and for the reading after approval, in the permanent record book. Every main motion should be recorded with the action taken on it (whether carried, lost, referred, consideration postponed, or tabled). Describe discussion concisely and be certain to document motions precisely as stated. Be sure to note important details as the minutes are the official document of the meeting. The minutes should follow the format of the agenda. If typing the minutes organize them by using bold type or underlying to indicate new sections. Be sure to proofread the document before distribution. After the minutes have been read and approved as read, corrected and approved as correct, you endorse them with a note: approved date, and sign your name as Secretary. You should also retain a copy of the agenda for each meeting.

The minutes do not become an official record until they have been approved by the organization or assembly. If, for any reason, the reading of the minutes of any meeting has been dispensed with, those minutes must be read at a subsequent meeting. The purpose of the reading is to offer an opportunity to discover omissions or other errors

TO THE NEW TREASURER:

As the Treasurer, you are responsible for the financial books, reimbursement/payment of expenses, dispersing funds to fulfill financial obligations of your chapter.

When you first take office it is imperative for you to learn how to maintain the ledger, maintain the savings and checking accounts. Although there will be specifics that you can learn from your advisor and the previous Treasurer here are some general guidelines.

One of your first tasks is to learn the name of the bank used to maintain your accounts and to be find out if you will need to transfer your name onto the accounts.

Review the treasurer's ledger book and learn the system established in your chapter for recording income and expenses. Follow the format used in your chapter for recording income and expenses in the ledger book. Be certain that the ledger is up to date and complete. When you are keeping the ledger be sure to double check your math using a calculator.

At each chapter meeting you will have to report on the amount of money you have in your checking account and in savings.

To balance the checkbook you will need to have the bank statements and the checkbook. The bank statement will note every check that has already cleared (the money has been given to the party listed on the check and taken out of your account). Open the checkbook to the log of checks and be certain that all check, deposits and interest are listed and the balance is calculated. You will be responsible for keeping a log of this financial data on a regular basis. It is most helpful to write this information immediately, that is, when you write a check or make a deposit be sure to list it in the log. To balance the checkbook, make a list of all of the checks that have not cleared (do not appear on the bank statement). Add up the total of all checks that have not cleared. Also, note any deposits that are not listed on the bank statement. Subtract the total of checks that have not cleared from your bank statement total and add the deposits not listed. This final total should match the final total in your checkbook. If these totals do not match review your numbers and find the discrepancy. It is critical to balance your checkbook every time you get a bank statement.

To write a check, date the check on the line in the right hand corner. On the line entitled "Pay to the order of ____" write the name of the person or organization to whom you are sending the check. On the next line write out in words the amount of money (e.g., one hundred and twenty five) and in the box write the amount using numbers (\$125.00). Sign the check in the right hand bottom corner. For many chapter accounts the Junior Advisor must co-sign. On the line in the left bottom corner note the reason for the check (e.g., chapter dues). Record all checks written in the log of the checkbook. If you make a mistake on the check write "VOID" across the check and note that the check has been voided in the checkbook log.

To make a deposit you will need the deposit slip for the bank. On the deposit slip list the account number and the checks to be deposited. List each check individually where indicated. You will need to endorse the check, by writing "for deposit only" signing the back with the name of your organization, listing your bank account number and signing your name. For cash you must list the amount of cash to be deposited on the deposit slip.

In the log section of the checkbook you must list every check you write, every deposit and withdrawal made and all interest accrued. Be sure to keep a running total of all of this information in the checkbook.

As the financial officer, be certain to not procrastinate. Record all data in the necessary places as soon as possible.

When reviewing the books be certain to double check all of your math using a calculator. When making any reimbursements for expenses be sure that the advisor and chapter President has approved the expense. Collect all receipts from expenses. Also, be sure to count all money carefully and that all figures are accurate. For chapter projects, be sure to have appropriate change for all events. For example, if your chapter is hosting an event that costs \$7.00 be sure to have sufficient one dollar bills for the event.

FORMS OF ADDRESS

In mixed organizations when the chairperson is a woman, the proper form of address is "Madame Chairman", never "Miss" or "Mrs. Chairman." If the titles of the officers are being used, then you address the presiding officer as "Mr. President" or "Madame President."

TO THE CHAIRMAN:

Speak with clarity. Be tactful and considerate, but firm. Know generally the principles of Parliamentary law. State a motion as soon as it is seconded (if a second is necessary). Be alert to detect violations of the rules of order. Make your decisions quickly and firmly.

Don't say, "Those in favor of the motion indicate by the usual sign." State a precise method of voting. As in, "All in favor say aye. All opposed no.")

Don't say, "It is a vote" to mean that a motion is being carried. It is a vote whether the motion is carried or lost. (As in, "The ayes have it. The motion is carried." or "The motion has been defeated.")

Don't call for the "Secretary's Report" when you mean the "Reading of the minutes."

Rules of order do not permit direct argument between members of an organization. All arguments are addressed to the chair.

TIE VOTE:

Must the chairperson or President vote to break a tie? Not unless specified by the by-laws. A tie vote is lost unless the chairperson or president by his/her one vote decide in favor of the action. There should be a few occasions in an organization when the issue is so important that with half the members against a proposition the president/chairman should put it over by his one vote.

For more detailed description of Parliamentary Rule follow Robert's Rules of Order.

SAMPLE AGENDA FOR EXECUTIVE BOARD MEETINGS (can be adapted for Chapter and Region Meetings)

ORDER OF BUSINESS

1. CALL TO ORDER.

The President calls the meeting to order. "The meeting will please come to order." Ask the Spiritual Advisor to lead the members in prayer. After the opening prayer and bible reading either read the Agenda or, if you have copies available, ask the members to review it. Ask if there are any other items to be considered. If not, ask for approval or acceptance of the Agenda. Roll call and introduction of visitors follows. The President asks for incoming relevant correspondence to be read.

2. MINUTES.

President says, "The Secretary will please read the minutes of the last meeting." After the minutes are read, say "You have heard the minutes, are there any corrections?" Do not say, "Are there any corrections or additions?" If no corrections are suggested, say "There being no corrections, the minutes are approved as read." (If a motion is required to approve the minutes, say "There being no corrections, is there a motion to approve minutes?") If corrections are necessary, the Secretary makes the necessary corrections and the President asks for a motion to approve the minutes as corrected. Ask for a second to the motion and call for a vote.

3. FINANCIAL REPORTS.

President says, "The Treasurer will give the Financial Report." (No action is taken on the unaudited Report) "Are there any questions? If not, the Report will be filed for auditing." If there is a Financial Secretary (not required in Chapters) the procedure will be the same as above.

4. REPORTS OF THE EXECUTIVE BOARD, ADVISORS, AND COMMITTEES.

Information in the form of a report is given by the officers, advisors, and committee chairpersons. Reports that contain only facts, opinion, or a report of work done require no action. If a report contains recommendations or Resolutions, action must be taken on their adoption. They should be placed at the end of the Report and the reporting member should move that they be adopted. If there is more than one Recommendation or Resolution, action should be taken separately.

5. OLD BUSINESS.

This includes business postponed from a previous meeting; business on which action was not completed at a previous meeting. A list of such business should be prepared from the minutes of the previous meeting by the Secretary and given to the presiding officer for inclusion in the Agenda.

6. NEW BUSINESS

New Business is introduced by a motion or a resolution. A member obtains the floor, rises, and addresses the new Chair (presiding officer). He/she makes the motion by saying, "I move that..." Another member, without rising or addressing the Chair says, "I second the motion." If the motion is not seconded, the presiding officer may say, "There being no second, the motion is not before this body." After the motion has been seconded, the motion is stated by the chair exactly as it was presented. "It is moved that..." Discussion, if there is any, follows. After every member has had the opportunity to speak on the subject, the Chair calls for a vote after once more repeating the motion. "All those in favor of the motion to...say aye. Those opposed say no." The chair then announces the vote. "The ayes have it and the motion is carried" or "the no's have it and the motion is defeated."

7. OPEN DISCUSSION

8. ANNOUNCEMENT.

Announce the next meeting, any activities of the Church, Chapters, or Region.
